Havering Volunteer Centre News

WE DID IT!

Havering Volunteer Centre achieved a Volunteer Centre Quality Accreditation from the National Council of Voluntary Organisations. Out of over 300 volunteer centres nationally only 100 have achieved this much coveted accreditation of which HVC is one of.

This hard to attain quality mark provides assurance that the Havering Volunteer Centre is providing a high quality and excellent service to all that use our organisation enabling volunteering throughout the borough. **Welcome to your newly licenced and accredited Volunteer Centre!**

HVC'S BRANDING

Can we ever combat the 'I didn't know there was a Volunteer Centre in Havering!' Comments? Well we are going to give it a good go!

In June 2018 we launched our new bumblebee logo and we have to say this has gone down really well – Yes volunteers really are like the humble bumblebee keeping things in Havering thriving!

We have expanded on this new branding and are making the next coming year our year to promote ourselves. We have produced new posters and brochures indicating how to BEEcome a Volunteer in Havering, please look out for them around the borough.

We are always looking for new places to display our material so if anyone has any suggestions or wants to help us distribute them please get in touch, we would love your help **01708 922 214** or volunteering@haveringvc.org.uk.
