## Havering Volunteer Centre News

### Arts Council Award £1 million to Havering Changing Project

The Arts Council England announced in August 2019 a £1 million investment for the borough of Havering as part of the Creative People and Places programme.

Queen's Theatre in Billet Lane is leading the Havering Changing project - a partnership of eight organisations that will look for new ideas to engage communities in arts and culture.

Havering Volunteer Centre is delighted to announce that we are one of those eight organisations that will be helping to deliver this programme across the borough, engaging volunteers into Art and Culture projects. We are really looking forward to seeing how this project develops and creates positive change to the borough via Arts and Culture.

### Being a Parent & Volunteering

- Are you a parent looking for something to do while the children are at school?
- Are you fed up of pottering around the house?
- Why not do something for you and help others at the same time by volunteering?

With the children going back to school in September it's the perfect time to think about volunteering!

Volunteering is flexible and can work around school hours and holidays, it's a fantastic opportunity for you to meet new people and learn or keep skills fresh.
