Havering Volunteer Centre News

bedrock
Hospital radio

Well I hope you all tuned in to watch the London New Year's Day Parade. You would have seen the Mayor of Havering's fantastic Float which was produced by the students and tutors at Havering College to the theme of Romford Market through the ages, a wonderful performance from the children at Habbit Factory, who were outstanding on the day and music from Bedrock Hospital Radio. It was a wonderful experience and Havering Volunteer Centre was very privileged to take part in as one of the Mayor's chosen charities. Thank you to everyone who helped make the day a success.

Make Us Your New Year's Resolution

Over the years how many times have you set yourself a new year's resolution? To become more active, to cut out chocolate or to quit smoking?

How about giving a few hours of your time and volunteering in Havering?

Or Become our hero!!!! Fundraise for us!

Just one fundraising event would help us to deliver and improve our services, we could engage more people into volunteering and help organisations recruit more volunteers to deliver their services.

Next time you want to do something good for the community, think of Havering Volunteer Centre, we would love you to be our hero!
