VOLUNTEERS' WEEK 2018

During Volunteers Week HVC signed up an extra 40 volunteers through its outreach events, rewarded and recognised 400 volunteers and had just under 50 individuals attend the conference! Pretty amazing – right!

HVC FUNDING

HVC have been refunded by the local authority until March 2019 but it is uncertain as to what will happen after this date. Currently HVC receives no additional funding for its service delivery and relies on shrewd financial decision making and resourceful income generation. HVC desperately needs funds to continue, this is to support the HVC team with training costs, volunteer expenses and volunteer refreshments.

HVC will be branching out to source funds, so if anyone has any good quality items such as, clothing, shoes, bags, anything that can be recycled please think of us as we can make good use of them by generating income, please call us on 01708 922 214 to arrange drop off.

How to spot a scam

They:

- » will contact you out of the blue
- » make promises that sound too good to be true
- » ask you to pay up front
- » ask for your bank details
- » pressure you to make a quick decision - "if you don't act now, you'll miss out"
- » are over-familiar and over-friendly
- » tell you an offer has to be kept secret
- » give you a mobile number or PO box number as their contact details
