Healthwatch Havering is YOUR local consumer watchdog for health and social care services.

Let us know what you think

In order to do our job properly, we need to know what people think about the services they receive.

Join our Friends Network

We need to know what people think about the health and social care services they need and receive. By joining our Friends Network, you will have opportunities to let us know what you think about those services and get your voice heard.

Recognising the importance of Carers

As Carers, you are particularly well-placed to tell us what you and those you care for think of the services you experience - what is *not so good*, as well as the good!

Joining our Friends Network is simple

Simply send an email to us at enquiries@healthwatchhavering.co.uk, or write your details on a piece of paper, pop it in an envelope and post it to us at

Freepost HEALTHWATCH HAVERING (no stamp needed)

HVC will be supporting Healthwatch Havering and has joined the friends Network

Festive Volunteering

Wanting to volunteer or looking for volunteers this December?

If your organisation is looking for volunteers to support you throughout December with any one off activities or additional support between Christmas and New Year, please get in touch as soon as your roles become available, this means that we will be able to support you to continue to deliver your services.

If you would like to volunteer during December please get in touch with a member of our team, who will be happy to explain what roles are available.

HVC Opening Hours

HVC will be closed from Monday 23rd December 2019 – Monday 6th January 2020

We would like to thank you for your continued support throughout 2019 and look forward to welcoming you back for another year of volunteering during 2020!
